

Chichester Grange and the Chichester Heritage Commission are hosting a NH Humanities Program on Thursday, June 6, at 7 p.m. in the Chichester Grange Hall, 54 Main Street, Chichester.

Steve Taylor will present “Late in Arriving: How Electricity Changed Rural NH Life.” The Grange was instrumental in bringing “Rural Electrification” to New Hampshire, so this program may be of special interest to Grangers.

There is plenty of parking and light refreshments will follow the program.
